

Seaford Swimming Association

P.O. Box 434 Seaford, DE 19973

To Friends, Golfers and Business Supporters,

On Saturday, October 10, 2020 (rain date: Saturday, October 17, 2020) the Seaford Swimming Association, often referred to “as the pool in the woods,” will be hosting their 2nd Annual Golf Tournament at Hooper’s Landing Golf Course, located at 1019 W. Locust Street, Seaford, Delaware.

This will be a capital fund raiser for the pool, which was established in 1956 and after 64 years of operation, has become an historic landmark on Craig’s Mill Road, Seaford DE. (Covid safety rules will apply to everyone.)

With age comes the need for ongoing upgrades in plumbing, lighting, pump and bathhouse facilities. Our pool supports the Dolphins swim team, swim lessons; including lessons for members and non-members (for a nominal fee), special needs children fun days and the Boys Scouts Swimming Test / Instruction Merit Badge requirements.

We ask for your support, as a golfer, business, lunch or hole sponsor to cap off our non-profit need for assistance, since we are not subsidized by the City of Seaford or any National organization.

This is our largest fund raiser to close out the 2020 summer season and in accordance with State/Federal Law, all hole sponsors, along with donated prizes are tax deductible. Our non-profit Federal ID number is: EIN 51-0079755.

Thank you for your support and to receive a registration form contact:
